Dear Community Partner,

On behalf of Tularosa Communications, we are excited to introduce the inaugural **Fibee's UFO - Ultimate Fiber Open**, a fun and community-driven golf tournament created to bring local businesses, industry partners, and community members together for a great cause.

At Tularosa Communications, we are proud to serve Southern New Mexico while remaining deeply committed to supporting the communities we call home. We believe investing in local students is investing in the future of our region.

This event was created with the goal of raising scholarship funds to support local students as they pursue higher education and future career opportunities. Through this tournament, we hope to make a meaningful impact by helping students achieve their educational goals and dreams.

We are also excited for this event to serve as an opportunity to bring the telecommunications community together. Fibee's UFO - Ultimate Fiber Open will welcome telecommunications providers, industry suppliers, business partners, and community leaders for a day focused on connection, collaboration, and community impact.

To help administer and manage the scholarship funds, we are proudly partnering with the Rotary Club of White Sands Foundation, Inc., a trusted nonprofit organization dedicated to serving and strengthening our community. Fibee's UFO - Ultimate Fiber Open will be more than just a golf tournament – it will be a community celebration filled with networking, fun, and opportunities to build lasting relationships while supporting an important mission.

We invite you to join us as an official sponsor and become part of an event focused on community growth, student success, and industry connection. Your support will directly contribute to scholarship opportunities for deserving students in our area.

Thank you for considering being part of this exciting event. We truly appreciate your support and partnership in helping us invest in the future of our community.

Sincerely,

Daniel Meszler
CEO
Tularosa Communications

This fundraiser is hosted by **Tularosa Communications**, with scholarship funds administered through the **Rotary Club of White Sands Foundation, Inc.**
